

J. C. Barry - Walsh. Esq.

7. vi. 39.

Dear Mr Barry-Walsh;

Thank you for your
letter of June 3rd.

I am so sorry that you will have
such a long journey to Hampstead,
for our interview, and trust the day
will be convenient, and not too hot,
as I have arranged to await you,
on Friday afternoon, between 2.30. pm.
and 3.00. Should you decide not to

come, in this heat, I shall understand!

Your best way to get to this house, will be - a Bus from Baker street, to Finchley Rd. Metropolitan station. You will get off at the station, come around the corner, (Canfield Gardens is the name,) and you will see a big store and flats, "John Barnes," on your left. You will have a long walk, straight down [redacted] on your right, and you will find this house - [redacted] the number is plainly marked on the wall outside, a bright green hall door, and railings,

so you cannot miss the house. There are two bells on the wall, so please press the upper one!

When you arrive, ask for the "kurri", as they do not always pronounce the name properly.

I do hope I have given you the full instructions, and that you will find it easy.

Buses. 13. 48. 121. or a 2. all come to Finchley Rd. Met.

Yours sincerely,

Mr. O'Donnell.

P.S. As the numbers on the houses
are so mixed, please don't take
any notice of the houses on your
left hand side.

So you will have a straight walk
down from "John Barnes's store," and
when you cross over 
you are quite near the house.

R. D.
